Neil Mellor 01522 702901

Lincoln District **cubs** Football

Dear Leader **Cubs Football 2011/12 -Wolf Cub Trophy - 7 a side**

Last year, with 6 entries we ran one league with the all teams playing each other once. It would be nice if we could achieve at least 8 entries again and use a two league system. The winners and Runners up in each league go on to play the semi finals and finals. The initial league system means just 3 or 4 matches spread over the period from November to February which does not give too much commitment so please seriously consider if you can join us this year and complete entry form below.

Please Reply by 10th October 2011 at the latest. if possible please to allow us to start the matches as early as possible.

Yours in Scouting

By closing date of 10.10.11. "E"mail:- n.mellor@btinternet.com

Lincoln District Cub Scouts

Santa Special – 19th November 2011

After reviewing various options for end of year visit, it was decided at the Leaders meeting on 19th September, for this years event, we would revisit the Midland Railway Trust at Butterley. A visitors guide for the Site can be found at www.midlandrailwaycentre.co.uk . Butterley station and Swanwick Junction are just half a mile (10 minute walk) apart and. Santa’s Grotto is on the train, the train journey is 1 hour, and to enable all of them to see Santa in his Grotto the party will be spit into 2 Groups, the itinerary is as follows:-

Buses leave Lincoln (Western avenue) at 10.00am

Group 1 ----- Arrive at Butterley station by 11.30am. See Puppet show and

animatronics at 12.00pm and catch the 12.30pm Santa Special.

They arrive at Swanwick Junction around 1.30pm, have lunch then visit Matthew Kirtley Museum, the Princess Royal Class trust, the farm or anything else that take their fancy. At 3.30pm. they will meet back at the Puppet Marquee with Group 2 for a sing song and presentation of the Carrie Jackson Trophies.

Group 2 ----- Arrive at Swanwick Junction 11.30am, visit Matthew Kirtley Museum, the Princess Royal Class

trust, the farm or anything else that take their fancy and have Lunch by 1.30pm, then walk

(or Bus) to Butterley Station to catch the 1.55pm Santa special. They get back to Butterley at

2.55pm and watch the Puppet show and animatronics. Meeting up with Group 2 in Marquee at 3.30pm. for a sing song and presentation of the Carrie Jackson Trophies.

The Buses should leave around 4.00pm arriving back to Lincoln for 5.30pm

ALL Cubs will receive a good quality present from father Christmas and leaders will have a minature bottle and a mince pie on the train. The cost is £16.00 for both Leaders and Cubs. It is necessary to finalise booking and final numbers by the end of October. So ALL MONEY and **FINAL NUMBERS MUST BE IN BY Friday 28th October at the latest.**

Please come along and join the fun

Yours in Scouting

Lincoln

TR

Hi

Just a note to say.....

Eleven Beavers and four Leaders from 15th Lincoln Swan Colony took part in the Whisby Challenge. The Beavers enjoyed looking out for the signs in the trees and although the signs were quite difficult to spot, even for the Leaders, we did manage to find them all. Looking for the signs and then identifying the trees kept them interested for the whole walk. By the time the Beavers had walked around the Millennium Lake they were already hungry, so we chose a nice sunny spot to have our picnic. Luckily there are plenty of bushes on the walk and these came in handy a couple of times. Although they professed to be tired the Beavers still had enough energy to run to meet their parents before collecting their sweets and drinks which had been provided. Even a couple of sharp showers on the way didn't dampen their enthusiasm. The walk was just the right distance for their little legs.

Report on 24th Lincoln Visit to Rolls Royce for presentation

Winner of the Rolls Royce Cub Scientist competition, Jack, accompanied by Scouts and Cubs, visited the Rolls Royce heritage centre in Derby where Jack was presented with a framed certificate in recognition of his achievement.

The party's escort round the exhibits from the Rolls Royce Heritage Trust, David, was also a Scouter with Derbyshire Adult Support and welcomed the genuine interest from children and adults. Among the aero engines was Lord Baden Powell's Rolls Royce car currently being restored! Before the journey home, there were refreshments and time for the youngsters to assemble some metal pieces into a turbine shape as a puzzle. They were all keen to have a go, having looked, listened and explored everything available.

What a WOW! evening thanks to Jack and Rolls Royce.

Lincoln District Scouts Exec Committee

We need you help!!.

We have put an application in for funds to help purchase some new tables & chairs at Altham Terrace, the present one have been there for 20+ years !!

If you could go to the Nat West Community Force website (google will find it). Put in Lincoln District Scouts, this will bring a map up, click onto the symbol, giving you all the profile information we have submitted.

Then please click the VOTE for us box, it may then ask for your e-mail address.

It costs you nothing, but could be of great benefit to us.

If YOU ALL then ask someone else to do the same thing that would be great.

The voting closes at the end of October, so get those fingers busy, please.

Yours in Scouting,

Kate Davis. District Secretary
